

### Short Term Courses under Continuing Education Programme during the Year 1998

| S. No | Coordinators                       | Department                     | Title  | From       | To         |
|-------|------------------------------------|--------------------------------|--|------------|------------|
| 1     | Rangarajan G                       | Ocean Engineering              | Reliability Methods for Design Inspection & Maint.         |            |            |
| 2     | Sastry V V                         | Computer Centre                | Computer Aided Learning of Power Elect. Systems            | 1/22/1998  | 1/23/1998  |
| 3     | Anantha Subramanian                | Ocean Engineering              | Hydrodynamic tests & IC Engines ( Lab Course)              | 2/16/1998  | 2/21/1998  |
| 4     |                                    | Electrical Engineering         | Analysis of Failure in Insulation Systems                  | 4/1/1998   | 4/7/1998   |
| 5     | Mathews MS<br>Ramamurthy K         | Civil Engineering              | Habitat Technology for the 21st Century                    | 4/27/1998  | 5/9/1998   |
| 6     | Panda T                            | Chemical Engineering           | Proc Des. & Scale up of Inno. Biop. Fermentation           | 5/18/1998  | 5/23/1998  |
| 7     | Rajagopalan K                      | Ocean Engineering              | Computer Simulation of Ports                               | 5/18/1998  | 5/22/1998  |
| 8     | Rajagopalan K                      | Ocean Engineering              | Oil Storage Structure                                      | 5/27/1998  | 5/30/1998  |
| 9     | Ramar K<br>Krishna Murti M         | Electrical Engineering         | Recent Trends in Power System Protection                   | 6/1/1998   | 6/2/1998   |
| 10    | Mohan S<br>Ananthanarayanan K      | Civil Engineering              | Fuzzy System Modelling in Civil Engineering                | 6/3/1998   | 6/6/1998   |
| 11    | Prabhu KMM<br>Srinivasan S         | Electrical Engineering         | Digital Signal Processing                                  | 6/15/1998  | 6/26/1998  |
| 12    | Jayachandran G<br>Srinivasan G     | Humanities and Social Sciences | Small Indus Mgt  | 6/15/1998  | 9/18/1998  |
| 13    | Nair NG                            | Comptec                        | Workshop on Fibre Reinforced Thermoplastic                 | 6/22/1998  | 6/27/1998  |
| 14    | Murthy DVS                         | Chemical Engineering           | Industrial Wastewater Mgt.                                 | 7/8/1998   | 7/10/1998  |
| 15    | Singaperumal M<br>Bhat KN          | Mechanical Engineering         | Workshop on Mechatronics & MEMS Tech                       | 7/16/1998  | 7/18/1998  |
| 16    | Prabhu BS<br>Santhanakrishnan G    | Applied Mechanics              | Adv. Predictive Maintenance & TPM                          | 7/20/1998  | 7/22/1998  |
| 17    | Prabhu BS                          | Applied Mechanics              | Rotating Machinery Dynamics & Diagnostics                  | 7/23/1998  | 7/25/1998  |
| 18    | Swarnamani S<br>Sujatha C          | Applied Mechanics              | Experimental & Theoretical Modal Analysis                  | 7/27/1998  | 7/31/1998  |
| 19    | Gopalakrishna K                    | Civil Engineering              | Trng. Prog. On Surveillance of Waste Water Treatment       | 8/31/1998  | 9/4/1998   |
| 20    | Aravind R<br>Devendra Jalihal      | Electrical Engineering         | STC on Multimedia Communication                            | 11/24/1998 | 4/12/1998  |
| 21    | Ramamoorthy B<br>Vijaya Raghavan L | Mechanical Engineering         | Mfg. Tech & Quality Engineering                            | 11/28/1998 | 12/5/1998  |
| 22    | Rajagopal K<br>Sivakumar MS        | Civil Engineering              | Finite Element Tech. For Geotechnical Engineers            | 11/30/1998 | 12/4/1998  |
| 23    | Rajagopalan K                      | Ocean Engineering              | Prestressed Concrete on Shore & Water Front & Offshore Str | 11/30/1998 | 12/4/1998  |
| 24    | Sundaravadivelu R<br>Surendran S   | Ocean Engineering              | Port & Harbour Structures                                  | 12/7/1998  | 12/18/1998 |

|    |                                  |                                |  |            |            |
|----|----------------------------------|--------------------------------|--|------------|------------|
| 25 | Mayuram MM                       | Mechanical Engineering         | Tribo Design & Analysis                      | 12/7/1998  | 12/18/1998 |
| 26 | Chaudhary SC<br>Mohan S          | Humanities and Social Sciences | Educational Technology for Language Teachers | 12/10/1998 | 12/12/1998 |
| 27 | Surendran S<br>Sundaravadivelu R | Ocean Engineering              | Ship Maneuvering                             | 12/14/1998 | 12/18/1998 |
| 28 | Gandhi SR                        | Civil Engineering              | Foundations on Weak Deposits                 | 12/25/1998 | 12/25/1998 |
